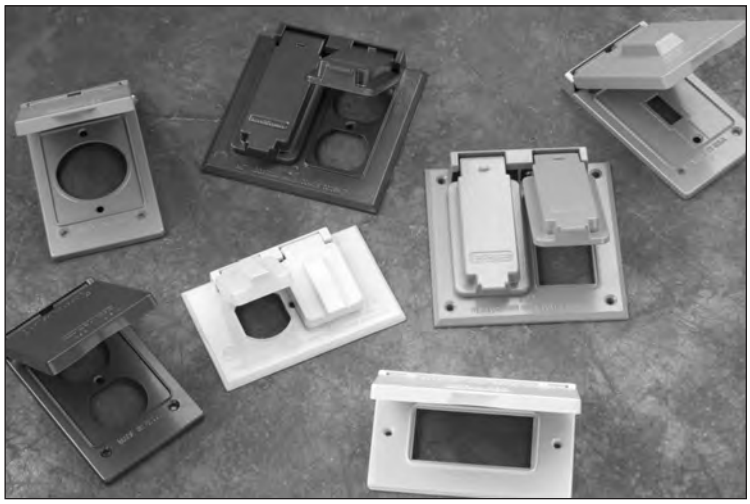
Weatherproof Boxes & Covers
Cast Covers
One & Two Gang

CA1, CA8, CA26, CA7, CA721, CA725, CA723, CA2, CA82, CA262, CA72

Protect receptacles, power outlets and switches.

This complete line of covers provides both vertical and horizontal solutions. All feature heavy-duty, die-cast zinc construction with a baked-on, electrostatic polyester powder coat finish that provides superior scratch and corrosion resistance. These self-closing designs feature corrosion-resistant stainless steel springs for enhanced durability.



Features & Benefits

Stainless steel springs.

Heavy-duty die-cast zinc.

Product assembled after painting for complete corrosion resistance.

Baked-on, electrostatic polyester powder coat for superior scratch- and corrosion-resistant finish.

Cover available in one and two gang, in a variety of configurations.

No rough edges.
