| Finish | Nickel Plated |

## Descriptions

| | |
|---|---|
| Description | 3/4" CORD GRIPS |
| extra long description | CRS-H TMCX285 3/4 FT MC CAB ARMOR O |
| Features | For use with metal-clad, non-armoured and tray cable, TMCX cable fittings are installed to provide a means for terminating cable at junction boxes, control centers, panelboards and enclosures for motor control and electrical distribution. They are used to form a mechanical watertight connection and to provide ground continuity of cable armour. Applied in Division 1 locations and when a seal is required. |

## Manufacturer Information

| | |
