Grande Part #43095  
Driller Part #43110

I know, lots of you won't wear a tool belt; sometimes you don't need a full load of tools. But your pocket's too small. The BUTT POUCH Mini or Grande fills the gap, literally, and it fits in your pocket. Saves wear on your jeans.

## REEL-END

### Features:

- salvages "unusable" wire
- reusable over and over
- money maker

Application - 6 1/2" diameter plastic spools

**"Wire Spool Repair"**

Part #17455

How many broken spools in your shop? A few? A bunch? There's gold in them thar rolls but how do you get at it? Fix them with the Reel-End. Pays for itself with the first roll saved and it's reusable again and again. The Reel-End fits plastic spools # 10 through # 18 gauge. A real money maker.

## Pull-Rite® 'WIRE BRAKE'

### Features:

- **Easy to install.**
- Clips on each roll in seconds.
- Controls overrun.
- Wire cannot jump off the spools.
- Separates the spools; no rubbing together.
- Fits standard #12 and #14 wire spools.
- Compatible with Rack-A-Tiers and many other wire dispensers.

Application - 6 1/2" diameter plastic spools

Part #15455

Full new rolls wound to the rim? No longer a problem. Jerky pull with lots of stopping? No more "bird's nesting". Just want one or two conductors from a group? That's all that spins. One person pulls? Easy, and the PULL-RITE is easy to install!
