

1000' Yellow Barricade Tape

The Empire® Level 1000-Foot x 3-Inch Caution Cuidado Barricade Tape is an excellent way to help prevent access to areas that are hazardous or simply unauthorized. It features text in thick black letters against a bright yellow background for easy visibility, even from a distance. The Empire Level bright yellow barricade tape is bilingual, making it ideal for areas that require such capability. It is made from plastic material that is sturdy and durable for extended use. The Empire Level 1000-Foot x 3-inch caution barricade tape stays pliant in cold weather conditions, making it ideal for use in rough environments. It has ample length for cordoning off large regions, and it measures 2 millimeters thick to help reduce transparency.
