

9 in. Magnetic Torpedo Level

9319RE

Quick, easy and accurate measurements can mean the difference between a job well done and one that misses the mark. Klein offers a variety of levels and other measuring devices that will help you measure up to the task.

Magnetized strip on bottom

- Power Rare Earth magnets hold firmly to iron and steel surfaces.
- Rare Earth magnets are up to 5 times stronger than strip magnets.
- Vials framed with glow-in-the-dark material for easier viewing in dimly lit areas.
- Three acrylic vials – plumb, level and 45 degrees.
