| extra long description | NVENT HOF A363614CTAUE Austin Energy                                                                                                                                                                                                                                                                                                                                                      |
| Features               | The cabinets provide outdoor protection and security for instrument current transformers, which are frequently required for transformer-rated watt-hour metering. This cabinet can also be used as junction or service boxes and house meter, transformer, relay or terminal assemblies. It offers the flexibility of mounting instrument current transformer vertically or horizontally. |
| Long Description       | CT Cabinet 2-Door with Steel Foot-Mount Panel Type 3R, 36x36x14, Gray, Steel                                                                                                                                                                                                                                                                                                              |
