Description	CH PON LOADCNTR 225A CONVERTIBLE 32 SPACES
extra long description	ETN CHP32N225X6 CH PON LC, 225A, CO
Features	Eaton's CH 3/4-inch loadcenters enclose CH circuit breakers for power distribution and circuit protection in residential and light commercial applications. Also called a breaker box, electrical box or even a fuse box, the main function is to take electricity supplied by the utility and distribute it throughout the home to feed lights and receptacles. Covers are typically packaged separately and available as surface or flush mount.
	separately and available as surface of mastrificant.
