Features	Eaton offers a comprehensive family of surge products for use at
	service entrances. These products can help protect sensitive
	electronics against the damaging effects of surges. Due to the
	evolution of electronics and microprocessors in the home, there
	is a continuous challenge to provide quality (clean) power for
	electronic loads such as appliances, computers/home office and
	entertainment systems. Surges caused by lightning, utility grid
	switching and other sources travel on current carrying
	conductors t
