Description		10 POSITION BRIDGE
extra long description		ETN XBAFBS105 10 POSITION BRIDGE
Features		Eaton's robust line of XB IEC terminal blocks are designed for
		prolonged life under harsh conditions. This comprehensive
		portfolio comes complete with universal accessories across three
		connection technologies – screw, spring cage
		and insulation displacement connection (IDC) – reducing
		inventory and logistic costs. With space savings in mind, the terminal blocks are small, adjustable and
		provide maximum flexibility and easy installation.
