Main "Online Catalog" Screenshot

- Our Online Catalog gives you more options and information than ever before. No other electrical supplier can match.
- Enhanced Images and Spec Sheets.
- Search by Brand or Manufacturer, in addition to Catalog number, Product Type, Custom Part Number, or Custom List.
- View products similar or cross-referenced to the item you searched on.
- Add a Custom Part Number for an item, or add it to a Custom List, directly from the item's detail screen.

CUSTOM LISTS

Using Custom Lists on ElliottElectric.com is a great time saving benefit. Our lists were created by professionals who are familiar with the needs of our customers.

- Create your own Kits or Assemblies
- Group commonly ordered items by Application or Product Type
- Modify our "Common Lists" to suit your needs
- Create Custom Lists that are Ship-To (Job) specific or make them accessible to your entire account
- Create a Custom List from the Cart before you checkout so you don't have to search for the items again when you're ready to place another order

QUICK SELECT

Select a group of products either by application or by type, enter quantities, then check out. The Quick Select feature on the Online Catalog will save you time by not having to search the catalog looking for common items you need.

Quick Selects Examples:

- Conduit
- Condulets
- Fittings
- Metal Boxes
- Wire
- Conduit Straps
- Elbows
- Lamps
- Residential Rough-In
- Residential 200 Amp Service
- Residential Trim Out

Payments Real-Time Stock Levels Custom Part Num

ACCOUNT INFORMATION

- Purchasing History going back three years is available online. Search for items purchased either online or at our stores and email or print a report for your records.
- Payment History gives you details about your payment, when it was received and where it was applied.
- Set up multiple Login IDs on one account and select access levels for each individual in your business. You can also access multiple accounts from a single Login ID.
- Manage your Orders and see what has shipped, items being processed and what is backordered.

Main "Account Information" Screenshot

TIME SAVING FEATURES

- Make Invoice Payments Online via ACH bank transfer.
- Mark your unpaid invoices as "acknowledged" once you've reviewed or downloaded them so you don't have to search to find your latest unpaid invoices.
- Use Payment History to view where your payments were applied.
- Download multiple Invoices in comma delimited format or download them to your *Quicken*, *QuickBooks Pro* or *Peachtree software*.
- Load an RFQ (Request for Quote) for your Salesperson to review and be notified by email after your Quote has been priced.
- Use Custom Lists to cut your ordering time down. Group products by application or type, or use our "Common Lists" to start your own.
- Use the Quick Select feature to take the hassle out of having to know Elliott catalog numbers for products you order.
- Maintain accountability by viewing the Proof of Delivery (POD) signatures on invoices.

CUSTOM PART NUMBERS

Using your own Custom Part Numbers has never been easier. Add them on an item's detail screen or upload a spreadsheet with all of your Custom Part Numbers. You will be able to search our Online Catalog using your own part numbers once you have them loaded. The Custom Part Numbers will appear on all shipping documents.

QUOTATIONS

Main "Quotes" Screenshot

- Enter an RFQ (Request for Quote) online and save it for future use or submit it for pricing. Our Salespeople will review your RFQ and a notification will be sent via email when the quote is ready.
- Distinguish between quotes you entered or quotes entered by Elliott Electric Supply Sales. Easily convert them to an order by clicking one button on the quote's detail screen and checkout as you normally would.
- Search for existing Quotes by Quotation Number, PO/Job Name, Custom Part Number or Elliott Catalog Number.
