Descriptions

Description	MODULAR PLUG CRIMP TOOL
extra long description	PLATINUM 12507C Tele-Titan Modular
Features	This dual function tool features a 7 and 16 inch hex socket at one end and 3 and 8-32 thread at the other end. The hex socket slides over cable and rear of the connector for easy mating and un-mating of hard to grasp F connectors. The threaded end provides a stable surface during cable insertion, eliminating the danger of stab wounds from the center conductor. Rugged extruded plastic handle. Long life chrome finish.
Long Description	The genius in the patented design of the Tele-Titan is that it works like a coax compression tool and delivers straight action termination. This parallel crimping force delivers even pressure on each of the plug's pins ensuring precise termination. This mighty tool is compact, rugged and nests comfortably in your hand. Its superior fit and function consistently meet your performance requirements - just add scissors and you're ready to tackle the modular plug crimp jobs for your next data and voice projects
Product Type	Tele-Titan Modular Plug Crimp Tool
Special Features	Rugged – for professional use and reliability; Crimps with minimal hand force; Lightweight and half the size of a standard crimp tool; Stays securely closed for storage with “gun safety lock-style” design; Embedded cable strippers for round & flat cables; built-in cable cutter.
