Descriptions

Description	TUFF-GRIP PRO 100' S-CLASS FISH TAPE W/EYELET
Features	S-Class Fiberglass Fish Tapes are non-conductive, and the best choice when working near live circuits. A high quality fiberglass core provides column strength for optimum pushing and pulling capability. Its round shape allows an omni-directional capability perfect for multiple bends, or bends that change planes. Choose from three end types; metal eyelet, a leader for even better maneuverability, and a nonconductive eyelet which prevents arc flash. Offered in two case choices: our standard Tuff-Grip Pro, as
