| Features               | IDEAL Yellow 77 Wire pulling lubricant is a wax-based formula, and is the perfect general purpose lube. It is safe to use with most cable types except low-density polyethylene and semi-conducting jackets. It won't break down/separate after repeated exposure to freezing temperatures and dries to a thin, non-conductive film that won't clog conduit. Yellow 77 has a creamy texture and clings to cable throughout long pulls. Apply conveniently and uniformly by hand or brush. It is a homogeneous blend that requir |
| Special Features       | The #1 brand of wire pulling lubricant since 1959 - the perfect general purpose lube; Wax-based formula provides superior lubricity; Safe to use with most cable types except low-density polyethylene and semi-conducting jackets; Won't break down or separate after repeated exposure to freezing temperatures; Dries to a thin, non-conductive film that won't clog conduit; Clings to cable throughout long pulls; Easy to apply by hand or with pump; Creamy texture applies easily and uniformly; Homogeneous blend requ |
