Taxonomies, Classifications, and Categories

Category Description	STANDARD DUTY PUSHBUTTONS (10250H-)
Type	Pendant Stations

Packaging

Carton	1
Weight Per each	0.63

Uses, Certifications, and Standards

Application	Most often, pendant stations are used to control large industrial cranes and hoists. They are also able to be used as the remote control for industrial machines. Pendant control stations are specifically designed for lifting and handling applications, as they enable direct line-of-sight control of motors.
