Eaton 5S UPS

The versatile UPS for home and office

Eaton 5S features and benefits:

Ease-of-use: The 5S seamlessly integrates automatically with native power profiles for Windows, Mac and Linux through the plug-and-play USB management port.

User-replaceable battery: Easy to remove, the 5S battery can be replaced when it ages, extending the life of your 5S.

Data protection: Safeguard your work and data with the UPS Companion software by gracefully shutting down your equipment during power outages.

EcoControl: The 5S manages your energy efficiency for you with EcoControl Master/Control outlets. When the item using the Master outlet (e.g., your computer) is idle or shut down, then items using the Control outlets (e.g., printer, scanner, fax) are automatically powered down — rewarding you with up to 30 percent in energy savings over a typical battery backup.

Convenient form factor: Fit the 5S easily into small spaces with its slim form factor. The versatile 5S can be used as a tower or as a desktop monitor stand.

Surge protection:
Provide surge protection for network phone lines, cable TV and satellite applications.

Data protection

Eaton's free UPS Companion software provides easy configuration and UPS status notifications, while automating graceful shutdown for your computer during a prolonged power outage, preventing data loss.

Services and support

Eaton provides product support 24 hours a day, 7 days a week. From battery replacement to full service plans,

Eaton is here to support you through the life of your product.

Three-year warranty

The 5S warranty covers both the UPS and the battery for three years.

Battery runtime

The 5S provides up to 4 minutes of high efficiency and energy-saving battery backup and surge protection for your home networking equipment. For a detailed, inter-active battery runtime chart, please visit: **Eaton.com/5S** — then view the models tab for details on each model.

Powering Business Worldwide

Convenient form factor: use as a desktop monitor stand to fit in confined spaces.
