

Electrical Accessories for a Variety of New and Replacement Applications

Arrow Hart has one of the most extensive lines of sign and scoreboard lighting devices in the industry and offers a variety of materials for a wide range of incandescent and fluorescent applications including electrical equipment, harnesses and light strings

Ceiling Lampholders

Our ceiling lampholder family includes lampholders made of high-temperature thermoplastic or high-strength insulator porcelain in either pull chain or keyless configurations with or without extra 2-pole, 2-wire or 2-pole, 3-wire outlets.

Fluorescent Lampholders

The fluorescent family of lampholders includes recessed double contact, slimline and medium bi-pin lampholder styles in either plunger or stationary styles.

Pigtail Lampholders

Primarily for use in electrical equipment, harnesses and light strings, our pigtail lampholders are available in either medium base or miniature base, and include rubber, weatherproof rubber or phenolic designs.

Sign & Scoreboard Lampholders

Arrow Hart's broad selection of sign and scoreboard lampholders includes Attachon designs in medium, intermediate and candelabra bases in a variety of panel mounting options featuring snap-in, screw-in, hook, no hook, and spring-washer models.

Sockets

This family of lampholders includes heater and cleat sockets for use with heater elements, stage lighting and similar applications in Edison, medium, candelabra and miniature bases.

Canopy & Circuit Control Switches

For use in fixtures, appliances, doorways and equipment, this family includes a variety of styles and sizes of push button and pull chain canopy switches and circuit control toggle switches for use in fixtures, appliances, doorways and equipment.

Sign, Heater & Cleat Sockets | 660W, 250V/AC

Sockets

Features

- Sign Sockets are high-strength insulator porcelain
- Heater Socket are for use with heater elements
- Cleat sockets are for use with stage lighting and similar applications
