------	-----------------

Descriptions

Description	CORR INHIBITING BLOCK
extra long description	NVENT HOF AHCI5E Corrosion Inhib. 5
Features	Use Corrosion Inhibitors to protect electronic components inside the enclosure against corrosion. It is simple and economical to use; no surface preparation is required and puts protected equipment to use immediately without degreasing or coating removal. Each inhibitor contains a special chemical combination that vaporizes and condenses on all surfaces in an enclosed area. Vapors will redeposit as needed in the event of condensation of moisture on surfaces. These vapors reach every part of an enclosure, p
Long Description	Corrosion Inhibitor Emitter, 5 cubic feet, Package Quantity 25
Product Type	Corrosion Inhib. 5 Cu. FT. , 14
