

# ELLIOTT ELECTRIC SUPPLY

We Deliver...Lower Cost, Quality Products, & Personal Service

2310 N. Stallings Dr.  
75964-0000, TX Nacogdoches  
Phone: 936-569-7941  
Fax: 936-560-4685

## **ATD1000CRP Adt Occsens, CLG MT, 1000 SQ FT W/R** *Hubbell Wiring Devices*

|                  |   |
|------------------|---|
| Catalog Number   | ATD1000CRP  |
| Manufacturer     | Hubbell Wiring Devices  |
| Description      | Switches and Lighting Controls, Occupancy Sensors, Adaptive Dual-Technology Ceiling Sensor, 1000 Square Feet Coverage, With Relay |
| Weight per unit  | 0.7000 (lbs/each)   |
| Product Category | Lighting Occupancy Sensors  |

### **Features**

|                  |  |
|------------------|--|
| connector        | Wire Leads                             |
| indicator        | PIR= Red LED, Ultrasonic= Green LED    |
| load             | Load is a function of the control unit |
| operating cycles | 6,000                                  |
| pallet quantity  | 840                                    |
| supply voltage   | 24V DC From Control Unit               |
| Voltage Rating   | 24                                     |

### **Material, Color, and Finish**

|       |       |
|-------|-------|
| Color | White |
|-------|-------|

### **Descriptions**

|                        |   |
|------------------------|---|
| Description            | ADT OCCSENS, CLG MT, 1000 SQ FT W/R   |
| extra long description | HWDK ATD1000CRP ADT OCCSENS, CLG MT   |
| Features               | Adaptive Dual Technology combines Ultrasonic and Passive Infrared technology, minimizing the risk of lights turning ON when the space is unoccupied. Once occupancy is detected by both technologies within the space lights are turned ON, only one technology is necessary to keep the lights ON. Adaptive technology provides better control. Hubbell's patented breakthrough in advanced control feature smart microprocessors constantly monitoring the controlled area and adjust the sensitivity and timer based on envi |
| Long Description       | Switches and Lighting Controls, Occupancy Sensors, Adaptive Dual-Technology Ceiling Sensor, 1000 Square Feet Coverage, With Relay   |
| Product Type           | Adt Occsens, CLG MT, 1000 SQ FT W/R   |
| Special Features       | With Photocell and Relay  |

## Manufacturer Information

|                           |                               |
|---------------------------|-------------------------------|
| Brand                     | Hubbell Wiring Device-Kellems |
| GTIN                      | 00783585392417                |
| Manufacturers Part Number | ATD1000CRP                    |
| series                    | Accessories;Dual              |
| UPC                       | 783585392417                  |

## Taxonomies, Classifications, and Categories

|                      |  |
|----------------------|--|
| Category Description | Residential dimmers, motion sensors, controls, & photo cells |
| Type                 | Sensors  |

## Packaging

|                 |     |
|-----------------|-----|
| Carton          | 1   |
| Package         | 10  |
| Weight Per each | 0.7 |

## Uses, Certifications, and Standards

|                          |   |
|--------------------------|---|
| Application              | Compatible with most LED and CFL                |
| environmental conditions | Indoor Dry unless protected by additional means |
| Mounting                 | Ceiling mount                                   |
| standard                 | ASHRAE 90.1 Compliant;cULus Listed To UL244A    |
