

BRC6M cable support

BA138F-14

BRC6M Cable Support

One of the Best Multiple MC Cable Supports Available Today

- Improved Design — Stiffer and stronger than alternative options
- Precise positioning of cables — Unique design ensures cables are positioned 1 ¼" from the face of the stud
- Greater Capacity — Supports up to 6 runs of MC cable
- Stronger — Stiffening Ribs and More Material
- Easier to adjust than alternative designs — Zip tie locking tab allows trouble-free securing of cables
- Can be push mounted to stud for positioning
- Securely attaches to stud using only 1 screw — 50% less than other designs
- Longer Tabs! Easier to Lock-Down! No Crimping!
- Patent Pending Design
