Descriptions

Description	HANDLE LOCKOFF FOR 1,2,3 POLE BR & BD BRKRS
extra long description	ETN BRLW Hndl Lockoff,1,2,3 Pole BR
Features	Specially designed for easy installation, Eaton's BR 1-inch load centers house the branch circuit breakers and the wiring required to distribute power to individual circuits. They serve as main breaker for service entrances or as main lug when adding circuits to existing service. The main breaker protects the entire panel and can be used as a service disconnect. The branch breakers protect the wires leading to individual electrical loads such as fixtures and outlets.
Long Description	Eaton Handle Lockoff,Handle lockoff for type BR circuit breakers and single-pole of type BD duplex or one independent outside pole of type BQ/BQC quadplex circuit breakers,Quantity: 10,For single-,two-three-pole BR and BD circuit breakers
