Descriptions

Description	30A OPEN ELEC HELD 2NO LIGHT CONT 120V
extra long description	ETN C30CNE20A0 30A Open Elec Held 2
Features	The C30CN 30A mechanically held lighting contactors are designed for industrial, commercial and outdoor lighting applications where efficient control is required. The mechanically held operation ensures that the contactor will not switch to OFF during control power failure. It also ensures the removal of coil from the circuit for noise-free operation and the elimination of all coil losses after the contactor is latched. The control module microprocessor validates the control signal before operation, so it
