Protect receptacles, power outlets and switches.

This complete line of covers provides both vertical and horizontal solutions. All feature heavy-duty, die-cast zinc construction with a baked-on, electrostatic polyester powder coat finish that provides superior scratch and corrosion resistance. These self-closing designs feature corrosion-resistant stainless steel springs for enhanced durability.

Features & Benefits

Stainless steel springs.

Heavy-duty die-cast zinc.

CA26-GV

Product assembled after painting for complete corrosion resistance.

Baked-on, electrostatic polyester powder coat for superior scratch- and corrosion-resistant finish.

Cover available in one and two gang, in a variety of configurations.

No rough edges.
