Descriptions

Description	MECHANICAL INTERLOCK PANEL COVER NEMA 3R
extra long description	ETN CH8CRM MECHANICAL INTERLOCK PAN
Features	Eaton's CH 3/4-inch loadcenters enclose CH circuit breakers for power distribution and circuit protection in residential and light commercial applications. Also called a breaker box, electrical box or even a fuse box, the main function is to take electricity supplied by the utility and distribute it throughout the home to feed lights and receptacles. Covers are typically packaged separately and available as surface or flush mount.
