Descriptions

Description	1" COMMERCIAL HUB
extra long description	CRS-H CHB3 1 COMMERCIAL HUB
Features	The use of rigid/IMC conduit remains the preferred choice in many applications because of the physical protection of conductors and long service life of the installation. Consequently, the need to terminate conduit into a box or enclosure creates the need for a hub. The Crouse-Hinds series commercial hub has been developed to provide a lightweight hub that installs quickly and easily, providing a secure termination.

Manufacturer Information

Brand	Eaton
