

Product Specifications

5 Gallon Multipurpose Pail

Part Number D5P

Category Number 6764

UPC 781002857624

The D5P is a multipurpose 5-gallon contractor grade utility pail constructed of high-density, impact resistant plastic. It features a heavy gauge wire handle that provides easy carrying for hauling a variety of materials and supplies on the jobsite. Due to its reinforced upper rim, the pail is resistant to cracking when tipped over or dropped and can sustain a maximum weight load of 80 lbs. The Dottie yellow color provides quick identification on the jobsite and its UV and weather resistant.
