Descriptions

Description	TYPE A BTN EXTD GREEN START
extra long description	ETN E30KA330 TYPE A BTN EXTD GREEN
Features	These square, multifunctional operators feature die cast construction to prevent the passing of oil and other contaminants through the operator into the contact structure or panel interior. The attractive square operator styling, coupled with custom legending of colored button and lenses and many special function accessories, makes E30 30.5 mm components ideal for a variety of industrial and OEM applications.
