Description	E50 OPERATING LEVER
extra long description	ETN E50KL598 E50 OPERATING LEVER
Features	Eaton's E50 modular plug-in limit switches are the industry
	standard with versatility of design and high reliability for low
	maintenance, installation and inventory costs. Standard Viton
	gaskets, seals and boots and a zinc die -cast enclosure provide
	exceptional chemical resistance to the common coolants,
	cleansing agents and hydraulic fluids found in machine tool,
	automotive, wastewater treatment and other heavy-duty
	industrial applications. Mounting dimensions accommodate bot U.S. and DIN standards for
