
THREE BAY MODULE MOUNTING BRACKET

F7510 | [On-Q](#)

FEATURES & BENEFITS

Want to increase the capacity of your On-Q enclosure? No problem. Innovative integration brackets allow you to mix and match products for seamless connectivity. This means that you can stick with what you're familiar with - your favorite products will be right there just the way you like them. Imagine the possibilities.

Allows mounting of 3 single size modules.
Mounts vertically or horizontally for maximum flexibility.
Additional brackets can be added for expansion.
