# EATON - ALL-PRO

#### DESCRIPTION

The ALL-PRO™ LED high-performance, low-maintenance entry and patio light provides a dependable and reliable security solution with nighttime ON and daytime OFF settings. Suitable for mounting heights up to 10ft., and up to 75W Incandescent based on area coverage. These fixtures are ideal for new construction residential applications such as entrances, patios, walkways, apartment complexes and light commercial buildings such as outlet exteriors, doorways, storage areas and hotels. The entry and patio light's design and aesthetics is perfect for retrofitting in exisiting residential and light commercial buildings.
