Descriptions

Description	1G FS BOX 1/2" KO
Features	Crouse-Hinds series FS and FD device boxes are installed in non-hazardous area conduit systems to accommodate wiring devices, act as pull boxes or provide openings for taps and splices. They are suitable for use in wet locations when used with gasketed covers. FS and FD device boxes are available in two box depths with a wide variety of gang configurations, hub configurations and hub sizes. They are manufactured in cast iron, aluminum, stainless steel and malleable iron. Malleable iron boxes are also a
