Descriptions

Description	1/2-1" ALUM GROUND CLAMP
extra long description	NSI GCA-1 Ground Clamp Aluminum 1/2
Features	NSI grounding and bonding products rise to the occasion in a wide variety of environments with excellent material quality and flexible designs. These aluminum ground clamps offer a convenient and reliable solution for connecting copper or aluminum cables to pipes or conduit, using an adjustable clamping structure and a simple set screw tightening mechanism. They grip onto pipes tightly by using the zinc-plated steel screws to tighten the clamp. Then simply fit your aluminum or copper cable into the groundi
