

### Description

IC rated, energy efficient Air-Loc® sealed housing • Can be completely covered with insulation • Air-Loc installation stops infiltration and exfiltration of air, reducing heating and cooling costs

### Listings

UL Listed, C-UL/CSA certified for through-branch wiring, damp and wet location • Wet location listed with the 239, 241 trim • Trims 28 and 29 are wet location approved when used with PAR30/PAR38 outdoor rated lamps • Washington State IECC and MEC energy codes as tested per ASTM-E283 • Conforms with City of Chicago IP requirements

### Features

- 6" Housing
- Floating socket with spring for quick trim attachment and consistent alignment
- Medium base porcelain socket with nickel-plated copper screw shell
- Shipped with socket cap to protect against paint overspray
- Housing is vertically adjustable to accommodate up to a 1" ceiling thickness
- Real Nail® 3 bar hangers: telescoping system with pre-installed removable nail for easy repositioning of housing in joist construction • Integral T-bar mounting feature for secure installation in suspended ceilings
  - Patented breakaway bars for tight joist spacing
  - Bar hangers may be re-positioned 90°
  - Curved foot facilitates alignment with joist bottom
  - Quick-Loc slot and oversized set screw lock fixture in position
- Housing is fully assembled for ease of installation
- Pre-wired junction box with (5) 1/2" and (1) 3/4" knockouts with pryout slots, (4) non-metallic sheathed cable connectors, and ground wire
- Shadow-free, knife-edge trim design blends smoothly into the ceiling and allows architectural continuity with Aculux® trims
- UL Listed, C-UL/CSA certified for through-branch wiring, maximum (8) #12 AWG branch circuit conductors (4 in, 4 out)
- Thermally protected against improper use of lamps
- Lamp wattage ratings and apertures based on trim selection. Trim selection follows IC23 Series

### Ordering Information

Catalog No.	Description
IC23	6" Incandescent housing with floating socket
IC23W	IC23 with push-in electrical connectors for fast, secure installation

### Accessories

Catalog No.	Description
ALG6	Air-Loc® Energy Conserving Gasket for 6" Air-Loc IC housings
