

Specialty Electronic

Your chimes are a unique statement of your personality. Our specialty electronic chime allows you to choose among a wide variety of tunes and give you versatility in complementing your décor.

LA174WH Recessed Westminster Chime

Recessed electronic chime with flush-mount white louvered grille. Can be painted to match decor so it is only heard and not seen. Eight-note tune for front door, two-note chime for second door, and one single-note for third door. Adjustable volume.

Includes a 16-volt transformer.

Dimensions:
Cover - 6 3/4" x 8 5/8"
Cutout - 5 3/8" x 7 1/8"
Housing - 2 3/4"

The LA174WH Chime is compatible with all NuTone® intercom systems.

Ambient Light

If you appreciate the soothing sounds of chimes, then you'll likely enjoy the complement of soft, subtle light. Our Ambient Light Chimes will warmly greet you and your guests. They'll be another reason to look forward to coming home.

LA164WH

Subtle light blushes through a translucent white alabaster-look cover. Two-note chime for front door, single-note for second door. Can easily replace existing two-note chime without rewiring.

Uses a 16-volt transformer.

Dimensions:
5 1/2" x 7 5/8" x 3 1/8"

LA165SA

Soft lights glow through acrylic bars. Neutral stone-look cover blends with any decor. Two-note chime for front door, single-note for second door. Can easily replace existing two-note chime without rewiring.

Uses a 16-volt transformer.

Dimensions:
6" x 8" x 3 1/8"

NuTone exclusive Ambient Light Chimes are compatible with each other. For homes where multiple door chimes are desired, both chimes must be lighted or both must be non-lighted to work properly in conjunction with each other.

Decorative

With ultimate versatility, our decorative chimes accent any style you may have in your home. The look of wood will provide that dash of sophistication without seeming out of place. It's the accent your décor deserves.

LA120WL

Walnut wood grain finish on molded cover with vertical grooves. Can easily replace existing two-note chime without rewiring.

Uses a 16-volt transformer.

Dimensions:
6 1/4" x 8 1/8" x 2 1/8"

LA109LO

Natural-finished wood slats provide subdued beauty. Can easily replace existing two-note chime without rewiring.

Uses a 16-volt transformer.

Dimensions:
6 1/2" x 9 1/2" x 2 5/8"

LA120K

Light oak wood grain finish on molded cover with vertical grooves. Can easily replace existing two-note chime without rewiring.

Uses a 16-volt transformer.

Dimensions:
6 1/4" x 8 1/8" x 2 1/8"

LA208K

Horizontal styling combines with tapered construction to create this classic look in natural-finished wood. Can easily replace existing two-note chime without rewiring.

Uses a 16-volt transformer.

Dimensions:
8 3/4" x 8 1/4" x 2 3/4"

Transformer models C905 or the NEW C915 are recommended for all NuTone® wired chimes. (Sold separately. See page 13.)
