Descriptions

Description	SCREWS USED TO MOUNT CH OR BR LOADCNTR COVER
extra long description	ETN LCCS Screws, Mount CH or BR Loa
Features	Specially designed for easy installation, Eaton's BR 1-inch load centers house the branch circuit breakers and the wiring required to distribute power to individual circuits. They serve as main breaker for service entrances or as main lug when adding circuits to existing service. The main breaker protects the entire panel and can be used as a service disconnect. The branch breakers protect the wires leading to individual electrical loads such as fixtures and outlets.
Long Description	Eaton CH 3/4-inch Loadcenter and Breaker Accessories - Cover Screw,Cover screw,CH,0.75 in,Used with Type CH Loadcenters and Breakers
