

Southwire™

PROJAX™ REEL STANDS

Built for power and portability, Southwire's PROJAX™ Reel Stands feature a load capacity up to 10,000 lbs. Effortlessly move and set up reels with reel stands that deliver safety, strength and simplicity on any jobsite.

- PROJAX™ Reel Stands can lift up to 10,000 lbs. as a pair (4545 kg)
- One person can easily transport through most jobsite environments
- Uses an 18V cordless drill to lift wire reels
- Minimum drill recommendations: 18V cordless, equivalent of 1000 in. lb. torque rated, for reels up to 10,000 lbs.
