Save money with Arlington’s non-metallic Black Button™ NM cable connectors. They’re the lowest cost NM cable connectors on the market, and the fastest to install! Simply push the connector into the knockout, and you’re done.

Listed for single or multiple cables, Arlington’s Black Button connectors offer smooth, easy cable insertion into a single opening.

- Removable, reusable
- 1/2”, 3/4” and 1” trade sizes

Our new 1/2” NM942 holds one or two cables, in two separate openings:
- One or two 12/2
- One or two 14/2, or one 12/2 and one 14/2

Use a screwdriver to remove NM942 from box. It’s reusable!
Black Button™ NM Cable Connectors

 Lowest Cost NM Cable Connector • Easy, Push-in Installation

- Listed for one or two cables
- Easy installation
- Smooth, easy cable insertion
- Secure hold on cable – exceeds UL pullout tests

For multiple cable installations:
Insert TWO cables together or individually into NM94, NM95 or NM96. Add a second cable without removing the first.

1 Push the NM cable connector into the knockout with light finger pressure.

2 Install one or two cables, fast! Push the NM cable(s) into the connector to the desired length.

3 To remove from KO...Slip screwdriver under connector and twist.
