| Features | Bring the right ambiance to the room and save energy at the same time. Lighting controls reduce the amount of electricity used by your lights by controlling power loads at the switch, which saves electricity, reduces utility bills and extends the life of the bulb. Eaton's lighting control dimmers are compatible with most common lighting loads, including LED, CFL, MLV, ELV and Fluorescent. Available in multiple styles and colors, you can select the perfect dimmer for every room in your home or commercial bu |
