Mounting Bases, Cable Ties and Accessories

Convenient one-piece design!

Ty-Rap® Tie for Panel and Chassis Mounting

- One-piece design, fast and convenient to use
- Clamping range of ¾ to 2½ inches reduces your inventory — one clamp replaces many
- Visually attractive — head resembles rivet
- Locking grooves maintain tight grip
- Lowers your installed cost

Choose from adhesive-backed, epoxy or screw mounting bases!

Two-Way Adhesive Mounting Bases

- Available in a variety of materials for both indoor and outdoor use
- One-piece molding — no lost parts
- Adhesive-backed with pressure-sensitive adhesive tape (where applicable)
