Descriptions

Description	DOOR LOCK FOR LOADCNTR TRIM DOOR
extra long description	ETN TDL Door Lock For Loadcenter Tr
Features	Specially designed for easy installation, Eaton's BR 1-inch load centers house the branch circuit breakers and the wiring required to distribute power to individual circuits. They serve as main breaker for service entrances or as main lug when adding circuits to existing service. The main breaker protects the entire panel and can be used as a service disconnect. The branch breakers protect the wires leading to individual electrical loads such as fixtures and outlets.
Long Description	Eaton door lock, CH Replacement Part Loadcenter Accessory, 0.75 in, Used with 3/4 in Loadcenters
Product Type	Door Lock For Loadcenter Trim Door
