Product Category	Wire

Features

dimensions	4.3500 IN X 2.7500 IN X 2.7500 IN
------------	-----------------------------------

Descriptions

Description	1-1/2"
extra long description	CRS-H TMCX5161 BR NP 1 1/2 BRASS FT
Features	For use with metal-clad, non-armoured and tray cable, TMCX cable fittings are installed to provide a means for terminating cable at junction boxes, control centers, panelboards and enclosures for motor control and electrical distribution. They are used to form a mechanical watertight connection and to provide ground continuity of cable armour. Applied in Division 1 locations and when a seal is required.
