TAMPER  
RESISTANT

# LED nightlight with duplex receptacle

## Design features

- Nightlight is dimmable to desired setting
- Nightlight is controlled by a photo sensor that turns ON in the dark, OFF in daylight
- Easily disable photo sensor for Hi/Med/Low/Off settings
- Tamper resistant shutters comply with 2020 NEC Article 406.12 that states that all 15A 125V receptacles installed in dwelling units must be tamper resistant
- Duplex receptacle nightlight features ability to change the color temperature emitted from the LED light

**TR7734**

(PJS26W wallplate sold separately)
