

Allows for snug-to-wall placement of your flat-screen TV and handles up to 12 multimedia connections, while the surge-protective outlet protects costly electronics from potentially damaging surges.

## Features & Benefits

Recessed design saves space and simplifies connections to cable or satellite boxes, DVRs, DVD players, surround-sound systems and more.

Flexible : position either line voltage or low-voltage in all three openings.

Molded-in template and rectangular cut-out.

Metal swing brackets ensure a solid mounting.

Accepts all P&S keystone low-voltage connectors, including Cat 5e and F-Connectors (both supplied with Surge Protective kit), as well as RCA and audio binding posts.

Clean, flush-mount appearance : snap-on end caps hide mounting screws.

Low-voltage connectors offer both terminated and pull-through capability, so plugs and multimedia connections stay recessed behind the surface of the wall.

Accepts standard TP wall plates.

Uses old-work-style boxes for line voltage.

## Specifications

### General Info

Product Line	Pass & Seymour	Color	White
UPC Number	785007001259	Country Of Origin	United States
Material	Plastic	Features	Recessed, Surge Protection
Application Sector	Residential	Warranty Type	1-Year Limited Warranty
Type	Recessed TV Boxes, Surge Protective Device		

### Dimensions

Product Width US	4.875 in	Product Depth US	2.25 in
Product Length US	7.25 in		

### Additional Information

RoHS Compliant	Yes
----------------	-----

---

## Technical Information

---

Number of Gangs	1	Indoor/Outdoor	Indoor
Cable Entry	Back	Box Shape	Square
Mounting Type	Screw Mount	Number of Outlets	1
