| Features               | Eaton is your one-stop shop for the widest range of residential and light commercial electric meter sockets in the industry. These single-socket surface- or flush-mount outdoor enclosures come in two styles, allowing for both easy, cost-saving installation, and for the use of BR- or CH-type branch breakers. The one-piece, die-run electric meter socket enclosures eliminate tampering and extend product life. These are utility approved and can be used for residential meter socket installations, rural service |
