# **3M<sup>TM</sup> Comfort Grip Gloves**

### **Data Sheet**

### September 2013

#### Product Description

3M<sup>™</sup> Comfort Grip Gloves offer a comfortable alternative to the traditional cotton and leather work glove. The gloves are constructed from a nylon knit material which offers a comfortable, breathable fit and are perfectly suited for applications where hand flexibility and dexterity are needed. The nitrile rubber coated palm provides gripping ability in wet or oily applications. The Comfort Grip Cut Resistant glove is an excellent choice for applications when working with sharp tools or edges.
