-------------	-------------------------------

extra long description	ETN XBMZB5 MARKER STRIP, UNPRINTED,
------------------------	-------------------------------------

Features	Eaton's robust line of XB IEC terminal blocks are designed for prolonged life under harsh conditions. This comprehensive portfolio comes complete with universal accessories across three connection technologies – screw, spring cage and insulation displacement connection (IDC) – reducing inventory and logistic costs. With space savings in mind, the terminal blocks are small, adjustable and provide maximum flexibility and easy installation.
